MEMORANDUM FOR THE RECORD

Morning Meeting of 27 June 1969

The Director is in Europe. Acting Director was in the chair.

DD/I provided General Cushman with a memorandum which will have the effect of precipitating a USIB study on the "verification" problem.

Lehman for Godfrey reported the loss of Muong Soui. In response to General Cushman's question he added that Thai troops in the area are reluctant to leave but that helicopter evacuation is under way.

D/ONE briefed on the requirement to do a SNIE in response to Secret Service requirements connected with a projected Presidential trip.

DD/S briefed on the parking problem in Rosslyn and noted that they are getting more data on this matter.

Carver related his membership on an NSC subcommittee which meets twice a week with Ambassador Sullivan. He noted that the next meeting will be unusual in that it will include Bui Diem, South Vietnamese Ambassador to the U. S., and another unidentified Vietnamese.

Carver reported that the Danang-Hue train was blown up.

Maury called General Cushman's attention to the cable sent to the Director last night on our inability to get in touch with Bill Woodruff and on assurances from Secretary Laird that budget figures on elements of the intelligence community will not be included in the published testimony
